Mark Draskovich
Director of Pupil Services
Principal Grades 7/8

Dear East Allegheny Parent/Guardian:

I am excited to let you know that the East Allegheny School district will continue to partner with COMCAST to offer low income families easy access to internet services through the Internet Essentials Program. Currently, eligible low-income students and their families are able to access the following:

- Broadband Internet service at \$9.95 per month + applicable taxes with no term contract or credit checks
- No activation or equipment fees
- Access to an affordable desktop or laptop computer for just \$149.99
- An amnesty program for qualified families
 - Families that have outstanding bills that are more than one year old, but meet all the other eligibility criteria can apply to the program and Comcast will offer amnesty on their unpaid bills for the purpose of connecting to Internet Essentials.

Starting this year, Comcast is now offering a free Wi-Fi router to all Internet Essentials families which will double download speeds from 5 Mbps to 10 Mbps at no additional cost.

To access this program or for more information, please call 1-855-846-8376 or visit their web site at InternetEssentials.com.

Sincerely,

Mark Draskovich
Director of Pupil Services
Jr High Principal
